

KINGDOM MULTIPLICATION 2023

REDISCOVERING JESUS' STRATEGY FOR CHURCH GROWTH BY DISCIPLES MAKING DISCIPLES

WHY DISCIPLE MAKING MATTERS

1. This is very important to God.

One of the last instructions Jesus gave His disciples was to "go and make disciples of all nations". This clearly means that the Lord expects us to be disciple makers.

2. Disciple making is very effective.

The early followers of Jesus focused on making disciples and evangelized the entire known world in a lifetime!

3. When disciples train others it leads to multiplication.

When disciples are trained on "how" to train others to make disciples their impact on God's kingdom multiplies.

- Proven method for making disciples
- Increase your ministry's influence
- Multiply your small group ministry
- Revitalize your evangelistic outreach
- Grow church membership

For His Glory flips the conventional model used for making disciples from "grow then go" to **"grow as you go"**, because we never really know it until we do it.

Churches that strategically highlight missions have 120% more salvations than those that don't. (AIMS Survey) The KMT methodology can be used to help focus your mission strategy.

"We are grateful for our partnership with For His Glory Ministry. One reason is that since they encouraged us to adopt the KMT model, we have seen the number of our Bible Discussion Groups grow from 25 to more than 45 groups in just one year! We are so excited to see how the Lord will use KMT to grow this ministry even more in 2018 and beyond!" (Derrill Martin, Executive Director, Ministry to Men.)

A GOD INSPIRED APPROACH

1. Jesus said to "go" and make disciples; therefore, we encourage others to ask the Lord every day to guide them to people that need Jesus and His influence in their lives.
2. We help churches breakthrough the 80/20 barrier by focusing on training their members to be disciple makers. This energizes church members to become more involved in the ministry.
3. Everyone can be part of a discipleship group and many can make disciples. This realization helps increase small groups reproduction.

POSITIVE IMPACT

In August of 2015 For His Glory introduced Kingdom Multiplication Training to 165 church leaders in Rwanda.

Since then the number of trainers has grown to:

- 917,829 believers trained in T4T
- 651,431 people are in 64,486 T4T Groups
- 1,311,517 people have received Christ
- Over 100,000 people are receiving Christ every month through T4T
